Network of Connections. While working on an AAUW event or activity, branch members sometimes need to work with other local organizations for things like publicity, co-sponsorship, placing an ad, or seeking a speaker. Knowing an AAUW member contact person within the organization can help, especially for finding out precisely whom to contact within the other organization. Please check boxes for local organizations in which you might be able to make a referral or introduction. Use the blanks to indicate other connections.

This list WILL NOT be published.
